9.0 Wonderful 125 reviews

9.4 Excellent location!

What guests loved the most:

"Sheets were like a dove's wing: soft and smooth. Zen like mood. Decor perfect and lux. Poolside elegance with impeccable service! Cocktails especially nice! Felt transported to Thailand or Singapore."

Nondita United States of America

"The service is the best I have ever experienced. The hotel is beautiful, the location on Miami beach is perfect and the vibe is excellent"

Keith United States of America

"This place lives up to its 5 star rating. I would compare this hotel to luxury hotels you find in Asia. The service is top notch from the moment you enter."

Divya United States of America

"Location great. We didn't have breakfast, no one mentioned it. I probably missed it in the writing on my reservation somewhere. Jaya

A large white patio umbrella is the central focus, set against a backdrop of lush tropical vegetation, including several tall palm trees. The scene is brightly lit, suggesting a sunny day. In the background, other similar umbrellas and a glimpse of a body of water or a distant shoreline can be seen. The overall atmosphere is one of a relaxing, vacation-like environment.

A photograph of a swimming pool at dusk. The pool is in the foreground, with a tiled deck and a large white umbrella. In the background, there are palm trees and a building with lights. The sky is dark, and the water in the pool is calm.
